

Christopher A. Evers

DIRECTOR

Chris Evers is a Director at Operose Advisors. He joined the firm in 2022 and has 9 years of experience in the industry. Chris provides advice to clients with respect to planning, execution, and feedback of investment programs. In addition, he assists clients with investment policy development, asset class assessment, investment management and ongoing client support and service. He also performs trading on behalf of client accounts.

Prior to joining Operose Advisors, Chris was an Associate Financial Advisor at Landaas & Company in Milwaukee, WI. Chris joined Landaas in 2013, working his way up to become a financial advisor dedicated to helping clients achieve their goals. Chris was also a member of the firm's research team which guided manager selection and asset allocation.

Chris holds a B.S. in Business Administration, specializing in Finance and Economics from Marquette University.
